NEW-LOOK VPG FOR 2026!

A MESSAGE FROM THE BOARD

ONE IN, ALL IN!

Last year, we started something few thought possible. From a standing start, we brought professional rugby league to Goole, built a proud club from scratch, and gave our town a new heartbeat.

In just twelve months, we went from vision to victory — winning ten matches in our first professional season, a feat only once achieved before by a brand-new team: the big-spending Toronto Wolfpack.

We made history together — bringing the Challenge Cup to Goole, welcoming former international stars, and watching homegrown lads proudly take the field beside them. Proof that the pathway from our town to the professional game is real.

We earned a remarkable RFL Club Grading in our debut year — ranked above league winners North Wales Crusaders, and behind only clubs with more than a century of history. All achieved in just ten months since playing our first match.

Now we look ahead to the next chapter — a huge step up to the Betfred Championship, with mouth-watering fixtures against some of the sport's most historic clubs.
A new-look Victoria Pleasure Grounds awaits — a place we're proud to call home. The sight of a sea of red and black in 2025, the noise, pride and camaraderie, has been nothing short of inspirational.

But this journey doesn't happen without you. Running a club like this is a challenge, and one we've embraced because we believe in what this team — and this town — can become.

As Goole celebrates its 200th year, let's show what unity, pride, and community can achieve. By purchasing your 2026 Vikings Season Ticket, you help make the impossible possible.

Tell your family, tell your friends, bring your neighbours and colleagues — let's fill the VPG and write the next exciting chapter in our history together.

This is more than rugby.
This is our town. Our team. Our time.

It's One In. All In!

A MESSAGE FROM THE COACH

THE NEXT CHAPTER

Former Super League winner & England International Scott Taylor will lead the Vikings once again in 2026 - and he is raring to get started with his new-look team, featuring ten new signings so far!

I couldn't be prouder of how far we've come in such a short space of time. Our first year was about laying the foundations, earning respect, building connections, and proving what this club stands for.

Stepping into the Championship is a huge challenge. The speed, the physicality, the calibre of opposition — it's another level and it won't be easy. But we're up for the battle.

We've retained a strong core of players who embody the values of hard work, togetherness, and belief, and we're adding quality to push the squad forward. We've added some genuine quality and experience for this level and you should be excited about that as much as we are.

It is a special group, who are fully bought into this club and this town. We might not have the same fire power and deep pockets as some in this new league, but we'll bring bags of enthusiasm, fight, togetherness and a pride to represent your town.

I was blown away by the support we received last season, it was incredible, but this is just the beginning. We want to keep building something special that our town but we need your support to do that.

We're confident we can make the next chapter just as memorable.

Scott Taylor
